Project: Treaty of Versailles Ratification Debate

Date Assigned: Friday, February 7, 2014

Date Due: Monday, February 10, 2014

Read all background information handouts given to you about the Treaty of Versailles ratification debate. Then read the three option sheets (Option #1 Ratify, Option #2 Ratify with Reservations, Option #3 Reject). For each option, summarize the main argument and indicate the pros and cons of it. This should be typed, a separate page for each option. Finally, you decide as a member of the US Senate which option you support and indicate why you have chosen this option. Do this in one to two paragraphs on a separate page. You can print your pages double sided but be concise regardless! Only one side of one page for each task, please.
